The Premises:

A semi-detached house in South East London between Lee & Blackheath. It was quite a trek from Blackheath station, but I took a bus heading to Crystal Palace.

The Lady:

A petite, dark skinned Romanian girl with a slim figure and lovely B cup breasts.

The Story:

I was greeted at the door by a man and woman. I was a bit put off at first, but I was immediately ushered upstairs. On arrival there was a choice of girls and I chose Maria. The session was enjoyable in part because of her fit figure and because she was friendly. She began by slowly masturbating me as we were both standing. I eagerly sucked on her nipples and could easily have succumbed to orgasm. I asked for sex in doggy position and it was good to squeeze her petite bum. We then switched to her on top and I came very quickly.
