The Premises:

Flat near CMK. Pay and display in carpark. Numberpad entry, reasonably discreet. Tidy inside.

The Lady:

Small Japanese woman, nice pointy breasts, flat belly and firm bum. Probably mid 20's. Good english spoken.

The Story:

I was in a bit of a hurry today and called ahead to check the girl was available. A five minute wait and a text told me to come in.

The girl was waiting in the bedroom, standing by the bed in a babydoll nighty type thing, knickers but no bra.

Paperwork was done and she stripped as I did. With little time to spare I needed to do my thing quickly so I went down on her giving her a good deep tonguing and brief clitty licking. Biggish labia and short straight pubes

On with the jacket and I laid her hard and fast spunking quickly, but very satisfying and an extra edge of excitement because of the need for speed.

Cleaned up and left. Always good at this place and a new girl every week most of whom I have a go on, variety being the spice of life.
