### The Premises:

A clean tidy place with plenty of parking nearby

### The Lady:

Short, slim, smallish tits, but a bit on the rough side. Long hair. The photos reflect what you get, but you don't get to see the face until she enters the room! Very chatty with a pleasant character, and British.

### The Story:

Quick strip and the cash done, we climbed on to the bed. She doesn't mind you groping her and I got plenty of kissing before she grabbed my cock and started fondling him. When nice and stiff, she proposed a BJ (accepted, of course) and she slurped away in a steady but not spectacular fashion for some time. I suggested cow girl, and although she sat on me, her movements were poor, so we swapped to missionary. She is one of those girls who position their thighs so you can't thrust in deep, which was disappointing. However she has the tightest of pussy's I have ever experienced - nice one We had agreed to finish CIM and that is exactly what we did - she swallowed (without asking) Overall, satisfactory but not outstanding.
