The Premises:

Minodora's place was ok. The street was well lit and I felt safe in the area. You access the premises from the street and I had no problems at all. Inside there was nothing to write home about, but it was alright.

The Lady:

I chose Minodora because I fancied a bit of filthy action with this blonde 22-year-old from Hungary. Her photos on the website were not very sharp but her body looked a bit of alright so I decided to give her a go. Unfortunately, the bad photos mask bad skin and not the most pretty face I've ever seen.

The Story:

Minodora does have a decent body, but "cheap ride" does kind of sum up of the deal. She looked shagged out when I arrived and not really in the mood to please me.

She did her best to give me some OWO. Her mouth was nice but she was a bit slobbery on my balls and cock. I prefer it when they take their time. Minodora just wasn't up for it at all and I had the feeling that she just wanted to get through it quickly. The massage was a bit better. Yet again I felt she could have done it in a more sensual manner. She was a bit heavy handed on my shoulders.

I decided to go for some anal with Mindora just to get some satisfaction. By this stage I wasn't exactly highly turned on. Still I did the business and blew my load all over her arse. I would describe my hour with Minodora as a very average experience.
