The Premises:

Easy parking - Mel had managed to get a room near the rear car park so did not have to enter hotel through the reception.

The Lady:

Nearly 25 years old with a body to go with the age. A previous FR commented that she has put on some weight since photo's on website were taken, but she is better for it - nice and cuddly

The Story:

This is the first time that I have visited Melony whist she has been on tour. Well worth the wait, she is enjoys a nice chat and seems to enjoy her work - does me the world of good...

Melony's services are as described on her web site and are performed in a GF way. She treats you like a friend and there is no way you can't want to see her again.

I'm waiting for the next tour to Ipswich or I will have to visit Peterborough to see her.
