### The Premises:

Popular flat 10 minutes walk north of Edgware Road station. Nice bathroom and a good size for my requested shared bubble bath. Pleasant bedroom with a comfortable bed.

### The Lady:

When you see Ariel's photos, and look at the very inviting video, that is exactly what you get! She has a pretty face, a lovely figure, and a happy and friendly nature. She is a Thai girl of medium height, slim build, and looks to be in her mid-20's.

### The Story:

Having started with an enjoyable and sexy shared bath, we then moved to the comfortable bedroom for the rest of our time together. Lots of kissing and oral to begin with, a lovely 69, intimate exploring of each others bodies, and of course energetic sex to a great climax. Throughout, Ariel was willing and engaging, warm and affectionate. In conclusion a lovely girlfriend experience, and one I look forward to enjoying again in the near future.
