### The Premises:

Nice tidy secluded establishment plenty of parking.

### The Lady:

Mandy is incredibly beautiful, she has an incredibly gorgeous face and a body to die for. She is extremely friendly and makes you feel totally relaxed.

Her pictures most certainly do not do her justice and that is Why she will soon have some new ones on the site.

### The Story:

I was shown into a ground floor room that was clean and tidy, soon after i arrived Mandy walked in, The lady that stood before me took me by supsize as i was not expecting her to be so breathtakingly beautiful. The kind of lady that most men can only dream of.

We talked for a while and then kissed and cuddled a bit, she is incredibly sexy and clearly enjoys what she dose. I had only booked half an hour, so i extended my appointment to an hour as i was having such a great time with Mandy i could of spent the day with her.

We had incredible sex i wont go in to detail but this lady real knows how to press the right buttons! she is truly mind blowing!

I cannot believe that she doesn't have a string of reviews, It can only be that she hasn't been at MK long enough to be discovered.

Treat her kindly and you will be rewarded gents!

Thank you so much for a lovely time Mandy, I will see you next week.XXX
