The Premises:

Nice flat in a busy safe area opposite a well known hotel and right next door to a decent pub. I only saw the bathroom and bedroom of the flat, both were fine.

The Lady:

Very attractive, with a really nice curvy body, she is very proud of the shape of her ass!. Lovely hair and make up, very good English (lived here for a long time) and a nice personality.

The pictures on the website are accurate, especially the selfies and the video clips. If you like the pics you won't be disappointed with her in the flesh.

The Story:

Very, very good experience. Haven't been punting in London for a few years, so it was an opportunity not to be missed. Tried to see a couple of well regarded Thai ladies but they were busy so I phoned Maxes with a list of three girls I was interested in, when I realised that they were all available, I asked who got the best feedback - with no hesitation at all the receptionist stated - 'Vivienne by a mile'- that was enough for me and after spending the hour I can fully understand why. Lovely girl, she was friendly and accommodating at first and was really passionate when things moved up a notch. I won't go into too much detail, but she was fabulous, a great passionate kisser and an overall tremendous experience.
