The Story:

I saw Louise many times before she 'retired' some 6 or 7 years ago. I rated her as one of the best escorts, if not the best, I'd ever experienced so was great news to hear she was back. She greeted me in miniskirt and heels as requested (my favourite look) and that alone starts to give me the horn. She is a pretty lady with a sexy cheeky smile and infectious girly laugh which no man could fail to be enamoured by.

Although she is in her 40's, she has a fabulous toned and shapely figure with firm enhanced DD boobs (but still feel natural!)

After a bit of small talk catching up after so many years, she gives me a nice back massage and then get down to some hot snoggy kisses/hugs and feeling her fab body and silky soft skin next to mine. Gets me fully aroused in no time. Her OWO is nothing short of sensational - slow, deliberate and seemingly endless with delightfully tantalising ball tickles and massaging. Then she moves round on bed, still doing oral, but now with her bum/legs next to me so I can stroke her shapely legs and fondle her fab bum. Back round again for some more snoggy kissing while giving me gentle HJ and ball massaging/stroking at same time. This is heaven for me and could prob lie there for hours savouring such intense pleasure.

After more of her breathtaking oral she gives me hard horny cowgirl ride, really goes for it and once again you feel like you could do it for ages she feels so good. After short rest for a drink, she gets to work on my todger again using her deft touches round shaft and balls to finish me off with a wonderful HJ.

Louise has not lost any of her considerable escorting skills or sex appeal since she's been away and still the sexiest lady I've ever been with. Everything flows quite nicely and naturally which only

the best escorts achieve. She clearly loves what she does and would give any guy a fantastic time
