The Story:

Speechless with this one! I'm definitely a man that loves a good pair of massive boobs and Cody is just that! I basically picked her based on those jugs and they didn't disappoint. She let me suck on them, caress them and even gave me an awesome tit job which I requested. Anyway, I got her to come to my place and she was there within an hour and a half, which for me was quick. She was dressed to the nines when she knocked on my door, gave me a kiss on the lips and embraced me. That's when I felt those gigantic tits up against me for the first time and knew I was in for some fun. She took her clothes off quickly and let me have a proper play, then sexily went down and gave me an amazing OWO, before we moved to my sofa and she rode me in my fave position. This was great cause I could really see those tits bouncing! I asked her to let me finish on her tits and for a tit wank and she said yes, which was obviously amazing for a boob guy like me. Cody is very skilled at what she does and handles all requests with sophistication and enthusiasm. Would absolutely recommend.
