The Premises:

Nice, posh neighbourhood in chelsea/kensington. Flat was clean and fresh sheets. I didn't park as I took tube, but think parking is by meter. Shower was clean, reasonable size bathroom.

The Lady:

She's short, white, very skinny, very big plastic fake boobs, looks about young 20s but her pics online are more flattering!

The Story:

I'm going to start by saying that this girl was extremely average in real life. Her pictures are way more flattering than she is in the flesh. She's thin and has those obviously fake boobs that I don't really like, not natural looking/feeling in any way. I paid for an incall and went to her flat in Chelsea. Nice area, flat was clean and fresh sheets. She was welcoming and made me feel 'at home' I suppose. Asked me to take a shower and then when I came out, instead of initiating something, she sort of just awkwardly stood there. I had to tell her what to do...isn't this her job? Anyway, asked her for a blow job and it was good but she didn't seem into it or even look at me. I wanted to go doggy and we did that, was decent but not the best I've experienced. I finished with another half hour or so left and she seemed to be counting every minute waiting to hurry me out. I'd say save your money with this one because shes average, unless your into really fake boobs, then by all means go for it.
