### The Premises:

A typical council tower block on Shooters Hill a couple of miles West of Welling. I always feel nervous going in those places. The room itself was clean and decorated to a good standard.

### The Lady:

A young, maybe late teens or early 20's, East European girl with a pale skin colour. She was friendly, but didn't say much. She was about a dress size 8 to 10 with pert A cup breasts.

### The Story:

A standard Soho type punt. Very little by way of foreplay and sex in the doggy position to completion. I would guess the flat is shared by other girls.
