The Premises:

The flat - All OK - many descriptions by others.

The Lady:

Gemma is an extremely attractive lady - very slim (size 6) with just enough curves to be sexy and healthy, but then - her boobs are something else - surely D at least - C claimed on her pages, magnificent whatever the stats.

Pubes in a trimmed landing-strip style.

Gemma has been here a few years and speaks excellent English and likes to engage in some chat - but not too much! I'd love to spend an hour or 2 on a dinner date with her.

She was wearing a stripey one-piece (teddy?) which I did not particularly like, but that came off immediately and I was very happy with what I saw then.

The Story:

I enjoy the full-on approach of Pixie and Ruby, but variety is good. Gemma's somewhat more restrained style is also extremely enjoyable - indeed I can last longer. Gemma seemed happy to make me happy, nothing rushed, an excellent GFE experience. I have seen her twice and I will be back again.
