The Story:

Jayda came into the room in black and silver lingerie with stockings. As Jayda was new to me and HOD and the business, set out ground rules before started. She is very clean and expects her clients to be so too. Paid my contribution before the action started. She does not kiss. We began with a little chat to ease our nervousness, then her bra and panties were removed and i started by kissing her in various places (apart from her lips), this moved onto me dining at her shaven Y, she complemented me for being a gentleman. After about ten minutes of this Jayda became very agitated and very wet as she came to a very vocal orgasm. Then it was my turn as she started to give me a very sloppy gentle owo all the way from balls to tip. WE continued as a 69 then it was time to cover up. I gently plunged into her receptive tight and wet pussy in mish. Again she was very vocal in encouragement as I upped my pace. She turned over and I slid easily inter her pussy now in doggy. Ten minutes of hard fucking in this position had the desired effect as we both orgasmed noisily. Then the dreaded knock on the door said my time was up. Jayda was a very good punt for a newbie. I would definitely recommend. Maybe next time two hours I think. Not on this weeks schedule 3rd of July on which is a shame.
