The Story:

After an average experience with another girl last week I was hoping for something better this time around. Aria was just incredible. I decided to treat myself and pay a bit more for her to come to mine. When she arrived she was looking absolutely smoking hot, dressed in sexy lacy black underwear under her clothes. Her boobs are naturally large and soft which suits my tastes very well, since I don't particularly like hard fake boobs. Aria performed a mini striptease for me before giving me a fantastic blow job which seemed to last forever in a good way. Doggy is my fave position so after that amazing BJ, I immediately took her in that position. I came after about 10 minutes and then she helped me unwind by giving me a long, sensual massage while fully naked. Those hands are really skilled and will help release all your tensions haha. Aria is Eastern European, not sure from where, maybe Russia? Her English is limited but she's still fantastic company and makes you feel at ease. I would 100% like to hire Aria again.
