The Premises:

A little run down but well kept for an old building. Good free car park round the back. Very safe and secluded. Shower available and 3 girls on.

The Lady:

Yasmin is from Greece although very beautiful and olive skinned. A petite girl and busty with it. I would have thought she was of Asian origin. Aged 22.

The Story:

Yasmin is from Greece although very beautiful and olive skinned. A petite girl and busty with it. Had GFE with OW, wow she can suck cock well. She kissed and was at ease. After much sucking her tits and getting her to say dirty words. It was time to cover up and lay her down to be fucked. She looked so cute laid back with her legs open ready to take my cock. Not long after entering her we were both climaxing. Or should I say I was. Yasmin was making the right noises. We hugged as my spunk was shooting up inside her. Covered of course. No rush in any part of this session. I fingered her pussy as we dressed and no complaints from Yasmin. Highly recommended.
