The Premises:

Terraced house in a residential street. Discrete rear entrance. On road parking. Large bedroom, with big double bed and dancing pole. Clean and tidy.

The Lady:

English brunette, about 5'8". Very curvy, and no stick insect. Great bum and boobs. Very chatty and friendly and eager to please.

The Story:

Led up the stairs by her maid, who was very welcoming and friendly. Tori bounced in to the room, came straight over and greeted me with some DFK. I had asked for a role play doctor/patient. This soon went out of the window as Tori slipped out of her dress, presenting me with her fine curves. She danced a little while on the pole, as i felt her all over and kissed her peachy bum. I joined her on the pole for some carressing as we got naked. Then Tori led me to the bed, where we spent the next hour exploring each other's bodies in detail. Tori provides a wide range of services and I enjoyed DFK, OWO with ball-licking and deep throat, RO, anal play with fingers and tongues both ways, mish, cowgirl and doggy. I climaxed in Tori's mouth and then shared a sloppy snowball. This was a full-on sex-fest with a woman who obviously loves what she does and enjoys pleasing her clients. A BIG 10/10, and I can't recommend her highly enough.
