The Lady:

As per the website and photos. Charlie is petite, with a slim and busty body. She has a very pleasant and friendly personality that somewhat disguises the horny woman within.

The Story:

Booked an hour as Charlie had an extensive menu that I wanted to feast on. Started with a slow sensual massage, with Charlie sat astride my bum, while she sorted out a few aches and pains from my long drive up north. After about 20 minutes Charlie started to kiss me around the neck and ears, which started a reaction in my groin. She continued to lick and kiss the whole of my torso. I was becoming more aroused, and so asked Charlie if she would like some attention from my tongue. I dined at the Y for about 10 minutes, and Charlie became very wet as her clitoris came out to play. I continued to feast on her honeypot, as she produced some sweet thick juices. Then on to covered sex in mish and doggy. I asked for CIM, but this is reserved for later visits, so I finished coming over Charlie's breasts. A great hour spent with a very sensual and horny woman.
