### The Premises:

A nice flat on the outskirts of Durham , good parking easy to find.

### The Lady:

Very fit looking Lady , nice body and would say age wise a little older than her AW Profile States

### The Story:

This is a Neutral Review due to the time wasting from quite a clever Lady , the services when underway were very nice however, this is my experience.

Arrived at 8.30 my initial appointment was for 8 , however Emma delayed the appointment until 8.30 , on arrival I was greeted by Emma in the outfit I have requested and she had duly obliged and looked very nice indeed , Emma is a fit looking lady and obviously takes good care of herself.

Emma then spent ten minutes giving me a tour of her flat and then explained all the things she planned to do to the flat.

She then took five minutes to re-make the bed and then cover with towels she then starting telling me a story as to how her washing was once ruined by someone leaving a coloured towel in with her whites!

Emma then explained she had to ring her carpet cleaner who would be visiting at around 9.30, this effectively took 10 minutes as I waited for her lying on the bed, in fact I played with myself that much when waiting I nearly shot my load, Emma then actually joined me at 8.55, I was offered the 5 minute taster Nuru Massage this was very nice and Emma put in a large amount of effort and I really enjoyed this relaxing start after the 25 minutes of sheer boredom , turned over for OWO which was delivered very nicely indeed.

The appointment overall was a clever manipulation of time from Emma who in a nutshell ripped me off , the whole action could have been covered in a 30 minute appointment, therefore any of you Guys wanting to get cracking within a few minutes of arriving, this review is done as a bit of a warning !
