The Premises:

Large flat in a discrete square a 10 minutes walk from Queensway tube station. Nice clean well-stocked bathroom, a good size for a shared shower/bath.

The Lady:

Victoria is a pretty Thai young woman in her mid-twenties. She has a slender body with recently enhanced boobs, slim legs and a cute bum - in fact my ideal look in a girl. Her photo gallery is an accurate likeness. The video is good too!

The Story:

I knew the visit would be good as soon as I set my eyes on Victoria. She was warm and affectionate from the outset, and that continued throughout. After a fun shower together we moved back to the large comfortable bedroom to continue our enjoyment. All of her listed services were made available, and all were happily experienced! Good oral, enjoyed both ways, 69, and after lots of kissing and caressing, some great sex to finish.

Will I return - yes, most definitely!
