The Lady:

This gorgeous, blonde, 22 years young women's pictures do not do her justice, i was impressed she could hold a conversation and i loved her natural breast, wish they could be a little bigger. At 5'9" she was the perfect height to my 6'3"

The Story:

I requested an 1 hr 30 minute meeting with this lovely lady for an outcall meeting, well she did not disappoint. She arrived promptly and as I opened the door her smile, eyes and radiant beauty caught me off guard. Before she even entered my hotel room she had a engaging and willing presence about her. She came dressed as requested and exceed my expectation in that department the thigh high stockings and red laced lingerie clung beautifully to her silky radiant body. I loved touching her she felt so soft I cannot wait to have her in my arms again.

As I led her to my bed that breath taking smile caught me again she had a really willing presence about her and satisfied my wishes. She performed OWO which I finished to completion, she felt incredible to be inside as we engaged in several positions including missionary, doggy and wheel barrow. Our meeting ran a little over 5/10 minutes but she had sense of rushing me and running out the door. Instead she ensured I was more than satisfied and thoroughly enjoyed my experience with her. The only thing I regret is not meeting her for a longer period of time, as it was our first meeting that option made sense our next meeting will be for a longer duration. Thank you London Prive and much appreciation to Julia.
