The Premises:

Great parlour in a seedy area of Manchester. Very clean and modern with a discrete rear entrance.

Heard they had a disabled room which I assumed was for the use of clients, but I overheard that a client who tried to book it was refused as one of the parlour girls needed it as she was dodgy on her legs and found it difficult to get upstairs!!

The Lady:

Spanish brunette in her twenties with natural tits and very little personality or spark.

The Story:

Tried to book one of their superstars only to find that rota was wrong after driving 45 miles to see the gem. Was offered Carla as a substitute and now I wished I'd kept my powder dry and stayed overnight until the lady I wanted was actually in.

The whole experience was poor from the start. No kissing, reverse oral, CIM or fingers allowed. She did offer OWO, but made me pay her the extra tenner before starting sucking (a first for me)!

Fake moaning and false compliments was very annoying and the whole experience lasted less than 30 mins.

After 3 either poor or downright awful experiences I doubt I will return to Infinity when there are so many quality places available in Manchester.
