The Story:

I do so look forward to my trips to the north east as these provide the opportunity to make a booking through Prestige, which, in my experience is the only agency/establishment anywhere in the UK to unfailingly provide a top quality girlfriend experience.

Beth certainly met this exacting benchmark.

The first few minutes of our time together was spent on the sofa nattering about this and that. After the ice was broken, things then progressed in the direction that successful dates go being almost indistinguishable from a truly authentic girlfriend experience. Beth was certainly a delightful lady to spend time with and all too soon it was time to for her to go leaving me to resolve that I need to redouble my efforts to visit the north east more frequently.
