### The Premises:

Hadn't been here for some years.. but change of ownership good new website enticed me back in. Couldn't have been more wrong... still a little shoddy inside.. money taken straight away informed i should shower downstairs then wrap towel around myself gather clothes..make my way upstairs quite a bizarre set up

### The Lady:

Looking at the website Ava looks fantastic... in real life.. a different story.. without been too unkind.. hair was tied up greasy.. little or no make upholds in stockings.. just looked "not the best".. to summarise website description and pictures are not accurate!!

### The Story:

So... after shower and dash upstairs ava quickly followed..in truth.. I wish she hadn't 30 second rub on back then told to turn over  
Straight to ripping open condom.. trying to put it on me straight away.. told me to "get it hard"  
At this stage .. I just wanted out..i don't know if it was the stale cigarette smell or Ava's can I say poor attitude  
Avoid !!  
I should say paid for 30 minutes in there 15 minutes at most.. 15 minutes too long !
