The Premises:

GFE Sheffield is quite possibly the best venue in the Midlands. Warm and discreet with all staff being extremely friendly and accommodating.

The Lady:

Gorgeous brunette, Ashleigh is a stunning natural British babe, fantastic body and boobs to die for. Friendly and chatty nothing was too much to ask for.

The Story:

Ashleigh was my first choice for the day and was available upon arrival. she introduced herself and I was hooked! We went up to the room, settled the account and I was left to freshen up in the red hot shower! She returned a few minutes later and the GFE was underway, slight kissing, fondling and expert oral which returned several times during the visit. Her perky breasts are to die for, I could have licked and kissed them all day long. I then offered RO which was gratefully accepted where she gave several cute squeaks throughout. She then climbed on top of me and was so sensual in her movements that I had to stop and return to Mish which again was awesome. She completed me with a happy ending over her chest as she directed from neck downwards! Treat her well guys, she is beautiful, addictive and I will be back.
