The Premises:

A clean and modern house in a private road. Very discreet and a classy neighbourhood. It was a gentle 10 minute walk from Blackheath rail station.

The Lady:

Much better looking than in the photos. A very friendly girl with lovely firm, natural breasts.

The Story:

A good session on a warm and pleasant day. The session started with covered oral while I was standing. It was really lovely and I was tempted to come, but I opted to switch to sex in doggy position. That was also really good, but I decided to conclude the session with a slow hand job. That was great because it provided me with another opportunity to feel Nicole's lovely breasts.
