Gorgeous and with excellent English. Better than the pics suggest but the winning smile is there and the body looks wonderful.

The Story:

A brilliant time. Nicole is so positive about everything. Yes you can come visit me, yes I will tell you if we can move to an earlier time, yes we can move it earlier. Welcome!

Then yes you can have a shower, do you want this, do you want that?

And in the session itself, everything I asked to do or just did was willingly and happily accepted.

We caressed each other and kissed and then snogged. Hands went to any sensitive areas and were never denied access. Onto the bed and it was mutual lovemaking of the best kind.

After oral, 69, hugs, strokes and kissing, we had sex with me on top and both of us appearing fully into each others' actions and wants.

I have found a complete superstar.
