The Premises:

Another visit to a discreet flat in the Royal Arsenal Dockyard. The flat has intercom entry and once inside it is very modern with bathroom facilities. It is close to the bWoolwich DLR & main railway station.

The Lady:

A young dark haired Romanian girl with lovely natural, medium sized breasts. Her English wasn't that good, but we overcame that.

The Story:

An enjoyable albeit business like session. We started with covered oral and then had sex to completion in doggy position. The good thing about this location is that the flat is shared by other girls, but you usually see your chosen girl. I'm sure I will return again when I am next near that area.
