The Story:

This was a spur-of-the-moment decision. Decided to do the Fenny Stratford run rather than o/d on too much coffee in town as had an afternoon free from work. Bit of a journey though... Chose the appointment partly at random from the blondes that I was informed were there, before travelling, but also remembering that Jayda was Lithuanian, which means something to me... Shown to downstairs toilet and the room. Friendly, got the formalities sorted opting for deluxe body-to-body. Meeting Jayda did more for me than seeing her pictures on the website. Seeing how attractive she is made the travelling worth it... It was good stress relief. She didn't talk too much. Light unobtrusive music on play in the background, so good atmosphere. She has a great figure. Lovely curves that reflect well in the mirrors around the table. Did back first then front with oils. Good varied massage technique. Addiction potential...
