The Story:

I didn't know what girl it was , the lights were low . I leaned back in my chair and the game started . Jess took my racket out of my trousers and gripped it tightly . She held her serve and with a backhand stroke the score went quickly to 15 - love

It wasn't even raining but the cover came out early . I called fault . She took off the cover and started to oil up the handle of my racket . I suspected a foul and looked across at the umpire . Duce was running down my racket as I was in a state of excitement .

My first shot hit the net .

" new balls " , cried the umpire . I couldn't agree more as I hobbled off the centre court ,
