The Premises:

Shared flat on Queensway. Otherwise don't remember.

The Lady:

She should sue the photographer. There is no way in a million years that I would have visited her based on her truly appalling web site pictures which make her look as though she's a prematurely wrinkled 30 year old. In reality a petite slim young good looking girl with dark blonde hair who looks no more than 20. Truly incredible how much better in real life. If only it were always so.

The Story:

I've actually gone to visit Yanna who works at the same flat. But rather bizarrely when I arrived I was given a choice of Yanna or Ronetta. Yanna turned out to be a pleasant looking brunette but Ronetta is distinctly hot looking if you like your Romanians slim young and tight.

No FK allowed which is a shame and didn't try my usual toy play but sex was enthusiastic albeit with a suspicious emphasis on getting me to ejaculate. Still I may return.
