The Premises:

Usual for Annabellas. Spotless and unobtrusive flat in the central area of town with free parking and shops to pass the time ahead of your visit.

The Lady:

I last saw Carla two years ago and little has changed. Very soft and curvy body, lovely big natural boobs and a pussy made in heaven. She wore pretty bra and knickers, as well as stockings which added an extra bit of sexiness. She is just like her pictures and has a lovely smile with a naughty glint in her eyes.

The Story:

I dunno about all you blokes out there but I always feel that when you are paying out hard earned dough for these brief liaisons, they have to be perfect in every way. The three times that I have met Carla started out as brilliant and continue as fantastic. She really enjoys her job and made me feel totally relaxed in an hour that flew by. Her kisses are sincere and she really knows how to use her brilliant skills and techniques to get the very best out of me, as well reminding me of what she likes and I was only too happy to oblige.

Carla has the unique ability to be beautifully clean and fragrant whilst being incredibly dirty and shameless. We had a great time and did all the stuff we both love, interspersed with laughing and talking, just how a meet up should be.

Carla; you are a totally bad influence on me and I will not leave it so long to come and see you again.
