The Story:

I booked for an incall with Alla on a weekday when I was bored and fancied a good shag. Her flat is a nice, small, clean basement apartment in Bayswater with decent transport links. I showed up 15 minutes late and thought Alla might be annoyed but she was fine with it and welcomed me with a sexy smile. She offered me a shower in her clean bathroom. I asked if she'd like to join but she declined, saying she had had one just before. When I re-entered her lounge, she was completely naked. I could tell her tits were completely natural even though they are gigantic. After some foreplay and a sexy sloppy blow job, we switched it up and 69'd for a while. Her pussy tasted ok but generally not my thing, I've tasted sweeter. She got on top of me and bounced on my cock for a while before I took her doggy, having a good feel of her arse, before switching again and me cumming while she was on top. Alla's a fun time girl with a great pair of naturally big tits. Language barrier a bit of a problem but nothing you can't work round. Treat yourself ;)
