The Premises:

A grotty, cramped room in a flat above some shops in the high street. Lucy actually met me in the street to take me to it.

The Lady:

A plumpish Turkish girl, maybe dress size 12, with medium sized breasts.

The Story:

A very disappointing session although Lucy herself was reasonable friendly. I didn't fancy full sex so I opted for a topless, slow hand job instead. That was performed very well, but it was nowhere near as good as my earlier Blackheath punt.
