The Premises:

Pinky's flat just for a couple more weeks probably, is right in the heart of Soho on a very busy side street, so don't even think of driving! Her flat is a tiny bedsit with a single bed with and adequate shower facilities, but no bath. Fortunately Pinky's personality is bigger than her temporary home!

The Lady:

I don't think Pinky stopped smiling for the whole 90 minutes, she has a lovely friendly personality and is very much "at your service" with her positive attitude. Photos are very old but recognisable, she is petite with generous natural boobs. I had asked the agency to request her to wear normal clothes with some lingerie under, and she had gone out specially to buy some, even showed me the receipt!

The Story:

Pinky is very eager to please, and enjoys deep kissing which is a nice change. After a fairly extended chat and shower, we spent the remaining time enjoying a lot of oral and full body massage which was so enjoyable we ran out of time for any other fun on this occasion. The full body massage made her cum, which is a first for me!
