The Premises:

As previously reported, a well known flat above some shops close to Waddon railway station. The bedroom had been redecorated since my previous visit and certainly looks better for it.

The Lady:

Nina is from the east end of London and is half English half Indian. She's around 5'6 tall, in her late 20s, has fantastic DD breasts and long black hair. She has a tattoo on her back and is also a smoker. She is very chatty and friendly.

The Story:

I was in the locality so phoned to see who was working and if she was free. The maid described Nina and told me that she was new to Affinity and was free so I knocked on the door a few minutes later and the maid let me in and sent me straight to the bedroom.

When Nina came in I was well impressed by her physical appearance and cheerful persona and I knew I was in for a good time. After completing the paperwork for a 30 minute GFE I undressed while Nina gave the money to the maid. When she returned I undressed her and there was lots of French kissing and chat. I gave her a massage followed by much mutual caressing and Nina was more than content for me to play with her cunt and clit.

Nina then gave me an excellent covered BJ (when finalising the paperwork she told me that OWO was available for an extra £10 which I may well take her up on next time) while I licked between her legs. She made all the right sounds which suggested that it wasn't just me who was having a good time. Sex was in cowgirl followed by deep stick which felt great as Nina is nice and tight (no kids) after which I shot my load into her. Nina then removed the condom and I freshened up with some wet wipes and, after chatting a bit more, I left with a big smile on my face.

Overall a very enjoyable punt with a girl who knows what to do to satisfy a man and clearly enjoys her work. Highly recommended.
