27 years old with lovely dark blonde hair  
incredibly large natural breasts and a very curvy figure but not fat  
his face is beautiful with a cute smile which belies her naughty nature  
her voice is rather posh and she is very well educated which just adds to the whole naughtiness of our meeting  
she really is a doll and the so very pretty that if you walked in the pub with her all the blokes would be dying to talk to her / stare at her fun bags and arse and try get in her knickers  
little would her appearance give the impression that she loves giving DT OWO and her arse is readily available as well :)

### The Story:

Exchanged a few emails with this lovely young lady who i was recommended to and found her on adultwork - with prompt responses and found my way down to Salford for 6 pm  
phoned her when i had parked up and guided to her apartment  
she sounded so very nice and posh on the phone and also so very friendly  
opened the door and said a quick " hi" to me before she wrapped her lips into mine a gave me a deep french kiss - what a start  
after a quick shower we retired to the bedroom and the fun began  
she wouldn't stop french kissing and guided my hand under her dress and into her knickers  
she quickly removed her items to release a most wonderful set of baps - and when i suggested that i lick her nipples she replied " oh i see you have really studied my profile haven't you"  
whilst i was doing this she was literally flooding herself downstairs - "see i told you i liked my nipples being sucked "she purred  
her voice is just so sexy and she has such a sweet pretty face it is hard to believe what was to follow  
soon she was deep throating me OWO right to the base and i don't know what she was doing but it was simply the best i have ever had  
after about 10 mins - which seemed longer we moved into a 69 where she continued this whilst i fingered with her clit and arse

she was starting to shake at this point so i continued until she came with a posh squeal  
things had been arranged in advance so now she turned round and said " now i should keep my  
side of the deal so how would you like to stick that up my arse"  
we lubed up found ourselves in doggy position and Harriet guided me in  
WOW !! after a slow build up we really went at it with Harriet's encouragement whilst she played  
with herself  
she kept on asking for me to carry on as she was loving it  
this was a meeting of two like minds - me balls deep up her arse with her egging me on  
eventually i came and eased out but i honestly think she wanted me to carry on a lot longer  
we then spent a good 20 mins chatting and ran way over - Harriet had an outcall appointment later  
but said that she had plenty of time to get over there - during our conversation she continued to  
wank me and play with my balls as if it was the most natural thing in the world to do whilst talking  
this very delightful young lady is a star in the making and i am already planning my next visit  
she is a beauty and with such a posh voice yet naughty side - for a common oik like me it took me  
back to my latter days at school when all i wanted to do was to fuck one of those girls from the  
private school down the road up the arse - MAGIC  
on my way home i texted her to thank her and got a lovely reply saying how much she had enjoyed  
it all as well  
no vaginal sex this time but i reckon that would be just as good - but to be honest i think harriet  
prefers it up her arse anyway - she says so on her profile  
see you again soon harriet xxxx
