### The Premises:

Easy to find location about 10min walk from the train station. The room was the same one that I was in yesterday when I visited Adrienne

### The Lady:

Aylssia is 5'6" and slender with a size 8 body. Her outstanding feature is that she has a pair of tremendous pendulous breasts which are soft and natural to the touch. She is curvy and is shaven down below. She has a nice personality and is easy to talk to and the conversation flowed easily between us.

My first impression is that Aylssia doesn't resemble her online photos, not in the hair department anyway. Instead of the thick luscious wavy locks of auburn hair cascading across her face, she had straight brown hair past her shoulders which hung delightfully from a centre parting. However her body is that of her online photos. She looked slender and beautiful and I was pleased to be looking forward to the next hour with this beauty

### The Story:

Proceedings began with me lying on the bed and she leaned over me and dangled her fabulous breasts for me to suck on. My tits sucking went on for a long time as I sucked on her dangling breasts which she really liked. She kept going ooh and ahhh as I wrapped my lips repeatedly around her teats. The tit worship must've gone on for over 10mins and it seemed to me that this was the longest time I ever spent pleasuring a woman's breasts. She then worked my body so expertly with her breasts that it was a delight for me to lie there and be treated like this.

Once she had the condom on she gave me OW and my eyes took in the magnificent view of her form as she leaned in at right angles. Then it was onto brief CG and then into fantastic doggie.

I spent more time playing with her fabulous breasts until there was 10mins left. Alyssia gave me a very relaxing massage across my back. She gave a good firm massage as she worked her fingers to my bones.

This was a great punt with a wonderful woman with an engaging personality. In spite of her limitations (she doesn't do RO or RCG) she compensated by her sexy body and fabulous breasts and I would definitely like to see her again
