The Premises:

Francine's place was nice and handy for the tube station. The area was ok and the premises were clean and welcoming inside.

The Lady:

Francine is a 20-year-old hot young Italian girl. I would say that she was very like the promotional photos.

The Story:

Francine is a really nice kisser. She just does it in a slow erotic sort of way to really get you in the mood. She uses her tongue really well to get you aroused. She has a really sexy way about her. The kissing was great and I was ready to go.

She then delivered some OWO, as promised. After the kissing session, I knew that I was in for a treat and I wasn't disappointed. Those red hot lips around my pole felt very good indeed especially when she glided up and down my shaft with style. When she licked under my helmet I could feel my toes almost curl from the erotic sensation.

We then got onto the bed and she got into the missionary position for some good old fashioned pumping. Francine took it well and got me fired up with some dirty talk. I then had her in the cowgirl position and let me tell you it was really wild. Finally, we tried my favoured doggy position which was really good. It was great watching my length sliding in and out of her tight pussy while watching the look of pleasure on that dirty face of hers. It wasn't long before I shot my load.
