The Premises:

Walk up through open watched door off of busy street above a shop. Limited parking. Old building redecorated many times. 4 rooms available only three with showers, reception room at top of first flight of stairs. Relatively clean. Beds have seen a lot of action but are covered with newish bedspreads.

The Lady:

Very petite black woman early 20s, about 5 foot tall. Perfectly formed gorgeous body and sweet beautiful face. No enhancements, clean shaven, little inkwork.. Pictures accurate and not photo-shopped in any way. She had long straight extensions

The Story:

Quality gfe from the moment she came through the door, wearing the briefest of crimson bra and panties. Extremely friendly, chatty and intellegant too. After a brief introduction it felt like we had known each other for more than two minutes. Warm and friendly kisses (not FK) and caresses lead to her disposing of her clothes. Further tight cuddles and gentle mutual masturbation continued on the bed. She wanted to know what i wanted or led if i did not suggest any thing. I suggested that I kissed her body all over to start, this led to me dining on her sweet very wet pussy. After awhile of very encouraging noises and words she shuddered to her first climax and a very big smile on her face. she then reversed the favour with an extended gentle covered blow job. Then without further ado she climbed on top, her pussy was very wet and tight and gave me a lovely cowgirl ride, fast slow and very deep and lots of kissess as she rode. More encouraging words and noises and she came again. I then reversed the role and fucked her in missionary again with lots of kisses. I knew my time was due but i just had to turn her over and fuck her in doggy. After more than a few minutes of gentle doggy watching my dick i finished very strongly pumping into her still tight and twitching pussy. She responded by much more kissess and cuddles and a mile wide grin. I definitely recommend Louisa, so much so I want to keep her for myself.
