The Lady:

Lydia is a GFE type girl next door with perky boobs and a slim physique. She was dressed nicely in a pretty summer dress and white underwear as requested.

The Story:

I have been away from the scene for a while due to work commitments elsewhere so when the chance of an overnight stay in London came up I had no hesitation in calling this agency again. And indeed they came up trumps with Lydia. I honestly don't know where he gets these girls and how they have such a high sexual drive. I don't recall girls being that hot when I was younger. Lydia is a real cutie and great fun to be with. She handled everything I wanted and more with a BBJ that sent me over the top. twice! Thanks Pat much appreciated and looking forward to my next trip to this sin city.
