### The Premises:

Slightly downtrodden area of London with a lot of social housing. Flat was functional but basic, but all in all not too bad. Bathroom needed a good clean. Would not recommend visiting this area after dark unless you are streetwise.

### The Lady:

Not quite as pretty as photos or video on side make out. Slightly heavier then when ohotos taken, but still slim. Athletic build with lots of firm curves and very tight smooth skin. Fantastic but hard enhanced breasts.

### The Story:

This was a strange one. Catherine was quite welcoming and compliant and we started with lots of nice kissing and fondling, and an extended session of OWO. Then we moved onto the main event and after a brief period of enjoyable cowgirl she suggested a change of position. We moved into doggy and then missionary. She does have an incredibly fuckable body.

But then after a couple of minutes - maybe 10 mins into sex - she starts grumbling and then shouts out "I not do sex 1 hour!"\* Well this wasn't necessarily my intention (I wish!) but having this told point blank was quite off putting. Quickly moved into CIM to finish and then a half hearted rub down.

I've seen a lot of Thai ladies and Catherine was physically definitely my type, so this should have been a great punt. But I found her attitude quite disappointing.

\* A far cry from my favourite Thai lady in Manchester who once told me after sex that next time she'd make me last for the whole hour!
