The Story:

Had a very pleasant experience with Nina. Good directions given over phone, followed by text. Nina is a warm, friendly, attractive young lady. She provided quite a good massage, with lots of gentle sensual strokes to put me in the mood. Having asked me to turn over she continued the massage on the front of my body, with emphasis on particular areas that made me super horny ready for the action

she is really good on giving pleasure with her mouth and tongue also very flexible fucking. Nina has very good English and we engaged in a nice chat throughout our time together. Overall, I would recommend her to men who enjoy a nice slow sensual massage.
