The Story:

I'd read a good review about this girl from a few weeks back so decided to see for myself, despite not being my usual type as her boobs are smaller than my usual taste. I was texting with this girl for a little while before I met up with her as she had a busy schedule, but we managed to arrange to meet on a Tuesday evening. The agency fees are some of the cheapest I'd seen for full hour outcall. Melanie arrived well groomed, everything in proportion, attractive face. As I mentioned, her boobs are small, but that's not to say they're not nice. She let me kiss, stroke and lick her sexy little nipples and feel her tight body all over before giving me a tantalising nude massage once both naked. She'd bought some lube with her and started rubbing it up and down my dick then gave me a fantastic OWO. After a shitty deep throat from a different girl last week, I asked Melanie if she could deliver and damn right she could. She took my whole dick in her throat and it was so good that I finished in her mouth! That rarely happens with me, so well done Melanie, excellent work. I still had a fair amount of time left so we relaxed and chatted for a while before round 2. When she'd got me hard again she got on top of me and rode me energetically until I finished again. After a little more relaxing, our time was up, she thanked me with a kiss and left. Easy arrangement, hot girl, top OWO skills, came twice, cheap: definitely recommended.
