The Story:

Paige is a good looking blonde/brunette woman with a good overall figure. Paige has a pretty face and has some very cool tattoos for those that are into that. When she walked into my hotel room she greeted me with a kiss and continued with the 'usual' talk. Her voice was very sexy; I am pretty sure she was Russian which are always some of my favourites.

She began with OWO which was amazing then proceeded to put on the condom with her mouth which was very sexy and then we proceeded to the good part. The sex overall was very good she enjoyed being fucked in all positions but I wouldn't categorise it necessarily as amazing like I have done in the past, as I felt I did most the work. That being said she's a pretty hot girl and a good shag so I would give it a 7/10.
