The Premises:

A clean, modern flat in the Royal Arsenal complex not far from Woolwich Arsenal DLR & main line stations.

The Lady:

Similar to the girl photo'd, but slightly darker. She was petite with B cup breasts and large areolas. The main thing was she was friendly.

The Story:

A very enjoyable session. It started with uncovered oral and a request not to come in her mouth. It was very pleasurable because it was performed slowly without hands. I think if I had concentrated I may well have come, but I adhered to her request and we then had covered sex in doggy position. With Nely's permission I removed the condom and came over her breasts.

I was let out the flat by a cute, shortish girl with a great little figure. If her profile turns up I'll definitely see her.
