The Story:

Honey was cute. not my normal type but i was in the mood for a change and she was certainly chatty and very pleasant. the type of girl you would love to spend time with hanging out having a laugh and a drink.

her body suited her if that makes sense, her proportions all looked right and she was a very natural looking pretty cute sexy girl.

when we eventually got to the bed room she was great there too, attentive, eager, smiley, giggly and good at everything i asked of her.

great kisser, great at blow jobs and rode like a pro.

she seemed to love the sex we had nearly as much as i did which is always a thrill for me.

in summary a lovely girl who looks great and fucks great. if she was my type she would be damn near perfect.
