### The Premises:

Austa's place is very nice and I always feel comfortable in this part of town. Easy parking, clean, no complaints at all.

### The Lady:

Austa is a hot young Russian lady (22) with an unbelievably hot pair of tits and ass. I'm pleased to report that she is a good match to her photos.

### The Story:

We got off to a good start with some erotic deep French Kissing and Austa knows what she is doing. This was followed up with some dirty OWO. I slid my length into her mouth and she gave me some careful treatment sucking on my bell end like a pro.

Probably one of the highlights with this hottie was her all nude massage. If done properly this can be a great way to prepare for the big event and Austa is absolutely great at this. So sensual and knows where to rub and how to apply the pressure to get you in the mood.

It wasn't long before we were in the missionary position and I was soon sliding my dick in and out of her at her furious pace. She screamed very loudly as I pounded her pussy hard. I then had her on all fours and shagged her both in the pussy and the ass. It wasn't long before I came and it was a cracker let me tell you.
