The Lady:

Amelia is a very sexy girl in her mid 20's with a gorgeous curvy body about a size 12 no more with the most incredible natural tits you will ever see. Blonde hair with a friendly but naughty character.

The Story:

I was travelling back to London last week and was feeling like I needed to visit somewhere and remembered a little place in Leicester. When I arrived at 8:15 a couple of the girls were ready to leave, one of them was Amelia and I couldn't help but see her amazing rack! She allowed me a lovely 15 mins before her taxi came which wasn't long enough so I vowed to return today as a did.

I arrived at 10:30 not wanting to waste any time in seeing this very horny girl.

She walked in wearing a tight mini dress which was struggling to contain the ample mounds. For the record they are huge! She asked me to lay on my front for a massage, but I was having none of that and instead sat on the edge of the table as she slowly rolled down the dress and out dropped the biggest most fabulous natural tits I have ever seen... touched, sucked or licked in my life..... They are breathtaking! These coupled with her cheeky smile and dirty talk got me super hard. For anyone reading this normally huge natural tits go hand in hand with chubby girls you don't want to play with or fuck.... Not Amelia she is pure super sexy and is the kind of girl you would aim for in a club She is real hot and in a world of silicone implants

Amelia is breath of fresh which will send blood rushing to your cock! To give you an idea of what she is like ...She bares a striking resemblance to the model Abi Seccra

She jumped on the massage table and put my hard cock between the forever winner of the best tits

in the world which were now oiled which helped with perfect tit wank. She then moved on to wonderful oral with lots of wet spit raining downing on my swollen dick. She is awesome and you feel like you could stay with her all day.

On with the rubber and I slid myself inside her..... Even this felt amazing. There is nothing not to like about Amelia! Anyway from there it was usual sucking fucking kissing and more worshipping of her fantastic figure.

Time went on and sensing I was reaching a climax Amelia dropped to her knees and said "cover my tits with you cum". ... Followed by "c'mon give it to me". She is one amazing girl and I duly obliged and shot my heavy load across her wonderful stack and now rock hard nipples!

A truly wonderful girl and experience which I recommend to all. If you are passing jnc 21 of the M1 you have to visit I aim to return soon and next time try to book her with the equally hot receptionist who I'm told is her best friend!

Thanks Amelia
