The Premises:

As usual MK Escort are spot on for what they are used for, clean tidy & the maid is always makes you very welcome,
I have visited these premises many times & never had a problem, good parking & discreet entrance,

The Lady:

Wanted to see Olivia for a while but didn't seem to happen,
The wait was worth it,
When she walk in to the room it was one of them WOW moments,
Dressed to what I had asked for & looked so very sexy & beautiful,
Photos are as she is,
Fun bubbly lady

The Story:

Olivia took the lead role as that's what I like,
It was an amazing experience and we tried loads of different things & postions but because of this and because she is so beautiful it was game over to early for both our liking,
However Olivia didn't stop there, after a clean up and her vast experience we managed to go again,
It was a memorable & pleasing experience that I hope to repeat another day,
Olivia went out of her way to make sure I had a good time, She is a very beautiful lady that needs treating
like that & believe me you will will get treated back!!
